“Creating beautiful, intelligent solutions to human problems has been our priority, and we're thrilled it continues to be noticed by the design community at large,” said Alastair Curtis, chief design officer at Logitech. “Whether it’s a product, packaging, product pages or retail displays, our teams keep design as our focus from the start to the finish.”

The **GOOD DESIGN Awards** are presented each year to the most innovative industrial, product and graphic designs produced around the world by the Chicago Athenaeum Museum of Architecture and Design, in cooperation with the European Centre for Architecture, Art, Design and Urban Studies.

About Logitech

Logitech designs products that have an everyday place in people's lives, connecting them to the digital experiences they care about. Over 30 years ago, Logitech started connecting people through computers, and now it’s designing products that bring people together through music, gaming, video and computing. Founded in 1981, Logitech International is a Swiss public company listed on the SIX Swiss Exchange (LOGN) and on the Nasdaq Global Select Market (LOGI). Find Logitech at **www.logitech.com**, the **company blog** or **@Logitech**.
