

PPG Again Recognized Among ‘Best Places to Work in IT,’ Rated Top Five for Career Development

06/25/2020

PITTSBURGH--(BUSINESS WIRE)-- PPG (NYSE: PPG) today announced that IDG Communication's Insider Pro and Computerworld have named the company one of the "Best Places to Work in IT," and rated PPG in the top five of companies for career development in 2020. PPG is among 100 top organizations that engage, challenge and develop their information technology function while providing exceptional training, collaborative environments, benefits and compensation, according to the publications.

The 2020 list features organizational profiles and results from the 27th annual Best Places to Work in IT survey, which evaluated large, midsize and small organizations across the United States. PPG was previously included on the Best Places to Work in IT list in 2013, 2014 and 2016.

"PPG is elated to be named among the inventive and dynamic organizations included on the 2020 Best Places to Work in IT list," said Chris Caruso, PPG vice president, information technology. "Our continued focus on employee advancement, global development and innovation has helped us build a collaborative workplace that fosters opportunities for talented IT professionals. This recognition is also a testament to PPG's culture, where engagement, creativity and teamwork are the foundation of our global business."

About the Best Places to Work in IT list

The Best Places to Work in IT list is an annual ranking of the top 100 work environments for technology professionals by Insider Pro and Computerworld. The list is compiled based on a comprehensive questionnaire regarding company offerings in categories such as benefits, career development, training and retention. In addition, IDG conducts extensive surveys of IT workers, and their responses factor heavily in determining the rankings.
