# PPG, Employees Support Coronavirus Relief Efforts In China

02/24/2020

PITTSBURGH--(BUSINESS WIRE)-- PPG (NYSE:PPG) today announced initiatives to support coronavirus relief efforts in China. The company will donate \$143,437 USD (1,000,000 RMB) to the [Chinese Red Cross Foundation](#) to assist with mid- to long-term recovery efforts, such as training, mental health assistance or other support for frontline health workers responding to the crisis. The funds also will be used to help vulnerable communities and families recover.

In addition to the corporate donation, PPG has committed to matching donations from its employees globally. The company is also actively seeking opportunities to donate its antibacterial coatings to assist with disease prevention.

PPG has nearly 4,000 employees working at 16 manufacturing sites, eight offices and four technical centers in China.

"Our thoughts are with our Chinese colleagues and those impacted as they face the severe coronavirus outbreak," said Malesia Dunn, executive director, PPG Foundation and corporate social responsibility. "We truly are one global PPG community, and we lend our support through these relief efforts."

PPG's global community engagement efforts and the PPG Foundation aim to bring color and brightness to PPG communities around the world. We invested more than \$11 million in 2019, supporting hundreds of organizations across 38 countries. By investing in educational opportunities, we help grow today's skilled workforce and develop tomorrow's innovators in fields related to coatings and manufacturing. Plus, we empower PPG employees to multiply their impact for causes that are important to them by supporting their volunteer efforts and charitable giving.
